

Address : **16620 North 40th Street – Studio D-0**
PHOENIX, Arizona – 85032

When traveling south of Bell Road or north of Greenway on 40th Street, there is only one driveway entrance to “Paradise Valley Professional Campus” on the west side between Edna Avenue and the hospital ER entrance.

The drive loops around the suites “A” through “I”. If you take the first right, you will come to Building “D” in proper alphabetical order.

There is parking all the way around the suites – please note that some of it is “reserved” for medical and/or special patient parking. Best parking is at the west end.

Welcome!

If you are using Piestawa Parkway (51) it is to the west of this location. Exit either Bell or Greenway and turn east to 40th Street.
